Magnus Leander Frederiksen

I started my channel back in 2020 and uploaded my first few videos. Over time, I just kept going, even when barely anyone was watching.

But in 2023, things really started to take off. I hit 70K subscribers that year.

Since then, Roblox began launching major events, and I've covered nearly every single one. It takes up a lot of my time, but it's been worth it.

Each event video series has performed better than the last, and the support keeps growing.

Roblox Event Example

in March 2025 Roblox hosted 'The Hunt: Mega Edition
